Dear Catriona Croghan,

Congratulations!

On behalf of Swimming Australia, we would like to congratulate you on your selection to the support staff for the 2017 FINA World Championships. Your selection on this team is due to the hard work, commitment and dedication you have shown in supporting coaches and swimmers in your field of expertise.

It is always a privilege to wear the green and gold and represent your country. The Australian Dolphins Swim Team have a proud history at the World Championships, and we expect to carry on the tradition of teams past. A special mention and congratulations must go Jack Brazier who will make his Dolphins debut this year.

The open water events for the 2017 FINA World Championships will take place over an eight-day period from 15-22 July 2017 at Balatonfüred (about two hours from Budapest), Hungary.

To ensure the team has the best possible preparation for this event, we will assemble for a staging camp in Eindhoven prior to Worlds:

- Staging Camp: 2-12 July 2017 (Eindhoven, The Netherlands)
- World Championships: 15-22 July 2017 (Budapest, Hungary)

In the lead-up to these activities you will receive more information which will include logistics and travel details.

Congratulations again, and we look forward to getting together prior to and during Worlds. If you have any issues in the lead-up to Budapest, please let us know immediately, so we can ensure you have the best preparation for the World Championships. Apply the team motto in all that you do – *remain resilient, stand united and be relentless.*

Kind regards,

Jacco Verhaeren
National Head Coach

Wayne Lomas
Executive Manager, High Performance

2017 FINA World Swimming Championship Team
